## Session & Tuition (including field trip fees)

**3-Year-Old Class: M/W/F 9:30 - 11:30 (child must be three by Dec 1, 2017)**

### **Co-operative Tuition \$1,100.00 for 2017-2018:**

Parent is responsible for 6-8 helper days per year, subject to change depending on class size.

### **Non Co-operative Tuition \$1,350.00 for 2017-2018:**

This program is designed to assist families with two working parents. With the exception of one Parent Helper day per semester, this program allows parents to "buyout" of doing Parent Helper days, providing your Parent Helper day slots can be filled by a parent volunteer. If you opt to participate in the buyout, you are still responsible for completing the remainder of the parent responsibilities (cleaning weekend, committee, and fundraising). If we have multiple parents participating in this program, it will leave several openings for Parent Helper days that need to be filled.

\_\_\_\_\_ I am interested in serving on the BNS board if a position is available.

\_\_\_\_\_ I've enclosed a \$50 non-refundable registration/holding fee.
