

Bloomfield Nursery School Parent Jobs

Below are brief descriptions of the Parent Jobs that are available. Once you are assigned a job you will be given more information. Additional/different Parent Jobs may be created if the need arises.

Scholastic Book Order - distribute flyers in backpacks with a note informing parents of due dates and ordering procedures. Collect orders after due date, compile orders and send to Scholastic. Organize and distribute book orders after they arrive.

Graduation - spend some time planning for the ceremony in advance and setting up prior to the ceremony. You must be available on Graduation morning in June.

Memorial Day Float - meet with other parents on the committee as necessary to plan the float. Also involves decorating the float, walking with the float at the parade and tear-down after the parade. Attendance at parade planning meetings and the parade is mandatory.

Cans & Bottles - take over the recycling operation in any manner you choose. We would like to raise \$175 in returns. You can achieve this goal by returning cans & bottles from the drop-off at BNS, organize a can drive or two, etc. Be creative!

Plowing & Sidewalk Shoveling/Salting - usually the church has the driveway plowed but the walkway may need some shoveling/salting.

Maintenance & Repair - as needed, repair of toys and odd jobs that could include the following: replacing light bulbs, painting, maintenance of outdoor play equipment, spraying outdoor play areas for bees and weeding.

Baking Committee - in charge of the baking for bake sales

Toy Cleaning/Laundry - bring home and wash dress-up clothes and clean play items as needed
