## BNS Newsletter (September, 2011)

### From the Administrator:

Welcome, I hope everyone had an enjoyable summer! This is our second newsletter for 2011-2012. If you missed the August newsletter, please see your child's colored folder from Registration Night.

I am anxious for "Meet the Teacher" night (Thursday, September 8). I'm so excited to meet all the kids that I haven't met as of yet! Our first day of school (Monday, September 12) will be a thrill. Don't forget to bring a camera - you'll want to capture this event! Enjoy and thank you, Kelly Dredger

### From the Teacher:

Welcome to BNS! I am very excited about the upcoming school year, there are many fun filled activities planned for your child! During the month of September we will be getting to know each other and focusing on friendship, learning our school routine, introducing show and tell and so much more!

Apples, apples, who loves apples? Towards the end of the month we learn some fun apple facts, create some amazing apple art and have a fantastic field trip to the Apple Farm!

Please feel free to contact me at 657-0026 or email me at [linnie827@hotmail.com](mailto:linnie827@hotmail.com) with any thoughts, questions or concerns. Looking forward to a great school year with you and your child! Mrs. Miller
